

July 3rd, 2018

Greetings East End Prep families,

I hope this finds you well and enjoying the summer break. I am writing to provide an update on our before/after-care program for the upcoming 2018-19 school year. Due to timing and some other logistical issues, we have decided to continue to utilize our partnership with the YMCA for on-site before and after care for the upcoming school year at East End Prep. We will still be partnering with Fannie Battle for our staff daycare to ensure we set ourselves up to continue to retain the highest quality and most talented teachers at East End Prep for the long term. We are very excited to continue partnerships with both of these organizations and believe this structure best meets all our childcare needs for the upcoming 2018-19 school year.

What does this mean for you?

If you are utilizing or would like to utilize on site before/after care for the upcoming school year, you are now free to contact the YMCA via website (ymcafunco.org) or call Tashia Wells directly at 615-596-2025 to get enrolled or re-enrolled. If you have signed up with Fannie Battle, please notify them if you will be moving your scholar back to the YMCA for on-site before/after care or if you will be keeping your scholar in Fannie's Battle's before/after-care program that operates out of Fannie Battle. As always, feel free to give us a call if you have any questions at all or want help with this process.

Thank you so much for your patience and flexibility around this. I hope you and your family have a safe and enjoyable rest of your summer!

Respectfully,

A handwritten signature in black ink that reads 'Jim Leckrone'.
