Middle School Announcements:

- We are in the thick of TN Ready testing and a couple weeks away from our MAP testing. Please help us to ensure a safe and productive testing environment by making sure your scholar is present every day during our testing window. We would also like extra support from families in securing our testing environment through the implementation of our silent transitions from now through the end of testing. If your scholar is in violation of our silent hallway transitions, you will be asked to pick them up from school for failure to comply with expectations. We are into make-up testing and need to ensure that our hallways and classrooms are focused and conducive for a secure testing environment.
 - TN Ready Testing Window: April 16- April 30
 - NWEA MAP Testing Window: May 13- May 17
- Our Top 20 merit earners from each grade level will be announced on April 24th! The scholars who have earned the most merits in each grade level will have the opportunity to participate in an exclusive Skating Field Trip on May 2nd!
