- Using EEP's [summer reading list](#), pick at least two books of different genres
- Spend about 30 minutes per day reading your book.
- Using sticky notes, a journal, or paper, [record the number of pages](#) you read daily.
- Finished reading? Celebrate! This may also be a time to write your own book review, chat with your parents or siblings about the book, and reflect.
- Interested to see what 6-8 grade scholars are reading around the world? Read pages 26 -33 of [this report](#)! The link also includes cross-curricular books!
- View [this resource](#) for audio books, pdfs, and information about obtaining a digital library card.

How to get a library card:

Since all Nashville Public Libraries are currently closed, residents of Davidson County or the City of Goodlettsville may [register for a digital access card](#). After completing the short online form, they will email you a card number that gives you immediate access to our online streaming, download, and database content for 45 days. To maintain access indefinitely, visit any NPL branch with photo ID and proof of Davidson County residency.
