

Dear EEP Families,

Students will be able to clean out their locker and turn in library books the week of May 18. To maintain the current social distancing requirements and group sizes due to COVID 19, we will clean out lockers using the schedule below based on the students' last names. If your scholar does not have anything left at school, there is no need to come.

- For families with multiple scholars, you only have to come one time.
- Please wear masks and limit the size of your group as much as possible.
- This schedule includes all 9 grade levels and will allow us to have no more than 10 in the hallway at one time.
- You will only have access to your scholar's locker. All classrooms will be locked.
- Teachers are cleaning classrooms this week and any scholar items will be placed in lockers or on a table outside their classroom. We will also have a lost and found in the downstairs cafeteria.
- Anything not claimed next week will **not** be available for pick up at the start of the 20-21 school year.
- Please make sure to bring back any classroom library books. Please check your scholar's backpack, room, and any other places their books might be hiding! These are important resources that we need to inventory in order to prepare for the fall. You can return them to the crates located outside your scholar's classroom or at the entrance.
- All Chromebooks must be returned to East End Prep by June 5th to ensure we can get them ready for use for the 20-21 school year. You may drop them off in the front office from 12pm – 1pm from May 27 - June 5.
- If you ordered spring pictures, we will also have them near the front available for pick up.

EEP

EAST END PREP

Monday May 18		Tuesday, May 19		Wednesday, May 20	
9:00 - 9:15	Adams - Alexander	9:00 - 9:15	Green - Hannah	9:00 - 9:15	J. Palmer - Pedro
