

Back to School
Parade

Wave to your teachers and pick up school materials!

**Monday,
July 27**

**5:00-7:00
pm**

**East End
Prep**

Please join us for a “reverse parade” to wave to your new teachers for this school year and to pick up school materials such as books, workbooks, math supplies, and technology. We will distribute technology based on requests from the parent survey in early July, or by contacting Antjuan Welch at (615) 397-7329 by July 21. The supplies will support students in learning from home and will help them interact with their teacher during live lessons. You can come anytime between 5-7 pm and please stay in your cars for safety reasons. We look forward to seeing you!

K-2: Enter school from McGavock Pike

3-5: Enter school from Stratford Ave

6-8: Come to the Dalewood Baptist Church parking lot at the corner of Stratford and McGavock
If you have multiple scholars in different grade bands, you will have to go to multiple locations.
